MB60726	60" x 72" x 6"	152 x 183 x 15	386

Used for clean-up operations and spill containment, the **Mini-Berm™** is easily placed under valves and fittings, trucks, drum and machinery. Compact enough to fit into tight spaces, yet still built to the toughest specifications, using our rugged chemical-resistant fabrics.

DESIGN FEATURES

- Constructed of durable fabric that is resistant to chemicals, fuels, oils, and acids
- Compact and lightweight for storage and easy transport
- Easily cleaned and maintained
- Designed to take standard size sorbent pads
- Appropriate for containment of waste water, petroleum products, and various chemicals

Mini Berm is a trademark of SEI INDUSTRIES LTD.
